Subject: RE: Proposal to Backfill Phase 2B and 3

Dear Mr. Dean – EPA approves your proposal to backfill the Phase 2b and 3 pits. EPA's approval is based in part on CDPHE's requirements for and approval of the design, as documented in the e-mail from Curt Stovall dated April 3, 2018.

Please keep me apprised of the schedule for backfilling activities.

Thank you for your assistance.

Sincerely,

Joyce Ackerman
